#### The End of the Swedish Social Model?

The success of the Sweden Democrats in the national elections contributes to the advance of the far-right across the EU, and perhaps it shows that Swedish citizens acting alone can no longer achieve their expectations for a better society.

## What does it mean to ask what is democracy?

democracy

From the fall of the Berlin Wall to the second Iraqi War, the word "freedom" arguably meant theft, neocolonization, military invasion, torture and uprooting. But democracy should be taken back and made to serve a politics of the alternative.

## Dossiers and Papers

This report by Lorenzo Fioramonti argues that an innovative approach to the environmental challenge must

take seriously the question of economic reform and the inescapable connection between environmental and social justice.

A dossier concluding that lack of pluralism and evidence of media intimidation in Italy breach the fundamental values of the European Union.

values of the European Union.
